

Mokena Woman Hit By Automobile, Dies

Mrs. Alfrieda Borucki, 76, who resided on Wolf Rd., at about 185th St., was killed Monday evening about 6 o'clock when she was struck by a southbound car near her home.

According to sheriff's deputies who investigated the accident Mrs. Borucki is believed to have been crossing the highway to get her mail and was in the southbound lane when struck by a car driven by Arthur H. Buske, 60, a tool and die maker, who resides on 187th St. near 114th Av.

Buske was quoted by Deputy James Srygler as saying that he did not see the woman until he was practically upon her and was unable to stop or veer in time. There were cars traveling north in the other lane, it was said.

Buske was ticketed for driving too fast for conditions, failure to have his car under control and causing a fatal accident, Srygler said.

Buske was on his way home from work when the accident occurred, several hundred feet north of the overpass over the route of I-80.

The body was taken to the Blood and Grant funeral home at Joliet last night and from there it was taken to the Hirsch Memorial Chapel at Tinley Park Tuesday afternoon.

A son, John, and a daughter, Alfrieda Zalski, both Chicago residents survive. Funeral arrangements were not completed at deadline for this week's paper. Persons may get information regarding the services by calling the chapel at 532-4700.

Light Christmas Tree At Frankfort Dec. 18

Lighting the 14-foot Community Christmas tree at Frankfort Saturday afternoon, Dec. 18, is to be a community affair, according to those in charge.

The pastors of the local churches, the mayor and village board members and other organizations in the community are to take part in the ceremonies that are to begin at 4:30 o'clock. John Moritz, president of

the Chamber of Commerce, will speak briefly before turning on the lights.

The tree was purchased by the Frankfort Woman's Club, erected by members of the Chamber of Commerce and decorated by the Cub Scouts.

The public is invited to witness the tree lighting.

L-W Basketball Tickets To Be Sold In Advance

No tickets will be sold at the door for the Homewood - Flossmoor basketball games at Lincoln-Way High School Friday night, Dec. 22.

Tickets must be purchased in advance at the high school office.

Supt. A. Hunter Chapman explained that this assures ticket holders of a seat. There are a limited number of seats available to the contest and to avoid the necessity of refusing persons who have made the trip to the school at game time only to find there were no more tickets, it was decided to sell them in advance.

Sandburg follows this system. A limited number of tickets is assigned to the other school involved and after the students' needs are met the remainder of the tickets are sold.

LIMITS PARKING

An ordinance was adopted by the Mokena Village Board banning parking on the east side of Wolf Rd., for 150 feet north of Front St., and on the south side of Francis Rd., between the west village limits and Wolf Rd. Penalty for violation range from \$10 to \$200.

Farmer Dies When Caught In Take-Off

At an inquest conducted last Friday by Will County Coroner Willard G. Blood, the jury found that the death of Frank Johnson, 71, New Lenox Township, last Thursday, Dec. 8, was the result of an accident involving farm machinery.

Johnson died from shock following multiple fractures suffered when his clothing became caught in the power take-off of a tractor.

He was working on his farm at Laraway and Gougar Rds., about 11 a.m. last Thursday when he stopped the tractor, investigation revealed, and got off to spread fertilizer. It was then his clothing became entangled in the power take-off, said Coroner Blood.

The body was found by a brother, Arnold, who was working in the barn.

Born in Kansas, Mr. Johnson had resided in the New Lenox - Manhattan - Joliet area most of his life. He served in the U.S. Marine

Corps in World War I. He had lived on the New Lenox farm for the past 32 years.

Surviving are three brothers, Howard M. and Arnold A. of Joliet, and Wilbert E., of Evanston, and three sisters, Miss Bretta C. Johnson, Kenya, Africa; Mrs. Arnette J. Hartford, Oak Park, and Ethel, Mrs. Oliver W. Hurst, Chicago. His parents, and a brother, Carl, preceded him in death.

Funeral services were conducted at the Carlson Funeral home, Joliet, last Saturday morning, with the Rev. Dr. Oliver W. Hurst officiating. Interment was in Elmhurst Cemetery, Joliet.

Ethel Dolak Succumbs At Home Dec. 8

Funeral services were held for Mrs. Ethel M. Dolak, Nee Tayson, age 72, late of 220 Maple St., Frankfort, on Saturday, Dec. 10. Mrs. Dolak died at her home on Dec. 8.

Born in Boone, Ia., she had lived much of her life in Chicago, and had moved to Frankfort just last August. She was the widow of the late Leonard V. Dolak, who died in Sept. of this year.

Surviving are three daughters, Mrs. Frank (Mildred) Kimpel of Algonquin, Mrs. Ronald (Dorothy) Carey of Plainfield, and Mrs. George (Helen) Schmidt of Frankfort; a son, James of Wheeling, Ill.; four brothers, two sisters, twenty grandchildren and nine great-grandchildren.

Removal was to the Baskerville Chapel, New Lenox, where services were held on Saturday, Dec. 10, at 9:30 a.m. with the Rev. Erwin Baumgartner officiating.

Interment was in Fairmount Cemetery, Willow Springs.

WINNERS IN THE VOLLEY BALL Tournament of the Girls' Physical Education Dept. of Lincoln-Way High School, which was held Dec. 1-8 are pictured above. All girls in the school were eligible to participate and 26 teams entered.

A group of sophomores led by Captain Maetha Mutsch took the championship title. Reading from l to r. are: Marlyss Runestad, Kay Rose, Carol Bartos, Bonnie Tobeck, Pat Nyder, Captain Maetha Mutsch, Rose Wenk, and Daine Veltman.

Discuss Air Force ROTC Unit For Lincoln-Way

From the interest evinced by the board of education, the administrative staff and the boys themselves, there is a possibility of establishing an Air Force ROTC unit at Lincoln-Way High School.

The subject was under considerable discussion at the board meeting last Thursday night. Supt. A. Hunter Chapman reported to the board that on Tuesday of last week an officer of the Air Force spent the day at the school.

He was to make a report on the situation to his superiors but told Supt. Chapman that he could see no reason why a unit could not be established at Lincoln-Way.

Father Of Mokenan Dies At 90

Funeral services were held Saturday, Dec. 3 at Davison Chapel in Peoria for the father of a Mokena woman. Zephaniah Camp, 90 years old, father of Mrs. Robert Nixon, Mokena, died in her home Thursday, December 1.

He resided his entire lifetime in Peoria. Six weeks ago he came to Mokena to make his home with his daughter.

He was a self-employed carpenter - contractor for many years in the Peoria area.

His survivors include besides his daughter in Mokena, a son Emmett of Peoria and a brother, Ira Camp of Peoria Heights. Seven grandchildren and nine great grandchildren.

The Air Force, for the first time, had 25 ROTC units in high schools this year and is prepared to expand the program next school year by creating an additional 50 units.

A minimum enrollment of 100 is required for the ROTC unit and the minimum age is 14. There are approximately 630 boys in Lincoln-Way and they are showing considerable interest in the program, Chapman said.

Supt. Chapman said the Air Force ROTC is geared more to the academic side, especially in the field of mathematics and science. More time is devoted to study than to drilling, it was explained.

As a matter of fact, Chapman said, there would be no drilling in the winter months but this part of the training would be confined to the spring and fall months when drills could be conducted outdoors.

"We couldn't consider the program," the superintendent said, "if the gymnasium had to be used for drilling during the winter for the simple reason that the gym is booked solidly every day thru the school year."

A retired Air Force officer, who could meet with the requirements demanded by Illinois for educators in secondary schools, would have charge of the program and would also teach the academic subjects it requires.

Such an officer, it was explained, would be placed back on the active list and so draw the regular pay for officers of his rank in active service. The school would be required

to pay half the difference between his retired pay and the scale for active service.

That would be the school's only cost, other than to allot space for the storage of uniforms and equipment, which are furnished by the Air Force.

The studies taken as a part of the ROTC program will earn credit for the students. They have been approved for credits by the North Central Association for Colleges and Secondary Schools.

It is said that membership in the ROTC could aid in the later military career and would also be of value to a student who went on to college where there is an ROTC.

Form Agricultural Advisory Council

Due to the rapid increase in enrollment in Vocational Agriculture at Lincoln-Way in the past few years, it was felt that a committee of farmers, agricultural businessmen, and professional men would be helpful in planning future educational programs for high school students and adults.

The following men were appointed by the Board of Education to serve as an advisory group for Agriculture: George Archibald, Jack Chesnut, Chester Ebert, Dr. T.J. Gunhouse, John Hartnell, Harlow Jensen, Bob Manzke, Arthur Mark, Dan Martin, Lawrence Meyer, R. J. Scherer, Melvin Schroeder, Bill Smith, Charles Swanberg and LeRoy Wehr-

man.

An organization meeting was held and the group decided that the first project would be to plan a series of evening classes in agricultural subject areas. It was decided to have a series of meetings on current agricultural problems. Speakers, who are specialists in the subjects, would be on the program. These meetings will be held on Thursday evenings, beginning the first week in January.

The group elected the following officers: Chairman, John Hartnell; vice-chairman, Arthur Mark; secretary, Jack Chesnut and assistant secretary, Chester Ebert.

New Lenox Schools Select Architects

At the regular December meeting of the New Lenox Grade School Board of Education employed the Joliet architectural firm of Alexander, Borkon, Westphall and DeYoung to design and perform the necessary engineering work for the next school construction project.

A number of additional classrooms will be required to house the projected enrollment increase for the school year beginning September, 1968, it was pointed out by a board spokesman. He added that since about a year is necessary to properly plan and construct new

school facilities, the board will immediately begin a comprehensive study of existing facilities and projected needs in an effort to form a sound plan to adequately provide for educational opportunities for all children in School District 122. The board also employed

some teachers on the recommendation of Supt. Arnold Tyler. Marjorie Favorite, of Fountain City, Ind., was hired to teach first grade at the Haines School for the second semester of the current school year. She is a graduate of Olivett College, Kan-

kakee, where she majored in elementary education. The board approved a temporary leave of absence for Helen Bell and employed Mary Young, of Mokena, to take over until she is able to return. Mary Whitaker, New Lenox, was employed to teach a handicapped child one period a day on an individualized basis

Coach Planning Ski Trip

Spring vacation will begin March 17 and end March 27 at Lincoln-Way. Many students will be taking trips with their parents. Most educators discourage unchaperoned tours and suggest that if you cannot accompany your children on a spring vacation holiday and still want them to travel you might consider this trip. It has been noted for: Faculty leadership, insurance coverage, mode of transportation, reasonableness of cost and maximum of 15 students to one chaperone.

This spring Coach Ronald Stopka from Lincoln - Way High School will conduct his annual pilgrimage to the ski slopes of the Rocky Mountains near Denver. The entire group will stay at the Brookside Inn, which is a few hundred yards from the lifts. The students will depart from Aurora March 18 on the Denver Zephyr and return March 26. Chaperones will always be in evidence on the slopes, at the base and during all activities.

Cost of the trip will be \$180. This includes the round trip transportation from Lincoln - Way High School to ski area; all lodging; tips and meals; student accident insurance; and recreation in evenings. Cost of tow tickets are included in this trip due to special rates for beginners.

Those interested in skiing with friends from the Joliet schools, Lockport schools and Lincoln - Way may contact Coach Stopka after 6 p.m. at 469-5697. Reservations at the lodge must be made as early as possible as only so many spaces will be available.

Thursday, Dec. 15, the children of St. Jude's school will have a Barbecue lunch, at noon, chairmaned by Nancy Winans and Ellen Kurns.

Girl Scouts Make Ornaments, Trim Tree

Mrs. Edward Hovi
Telephone: 479-5740

The Junior Girl Scouts of Troop No. 103 have been diligently working at their meetings for the past several weeks. The fruits of their labors are now in evidence at the school where the main tree is decorated with all hand made ornaments the girls made.

The tree was put up by the girls last Tuesday and they also decorated it themselves. When you have an opportunity, please stop in and see how well they have done.

The Junior Girl Scouts of Troop 289 held an investiture of their four new girls, who had come up from the Brownies this year. Two girls came from Brownie Troop 332; Deirdre Durbin, and Beverly Funick; and the remaining two girls were from Brownie Troop 334; Elise Dornseif and Debra Joy Engel.

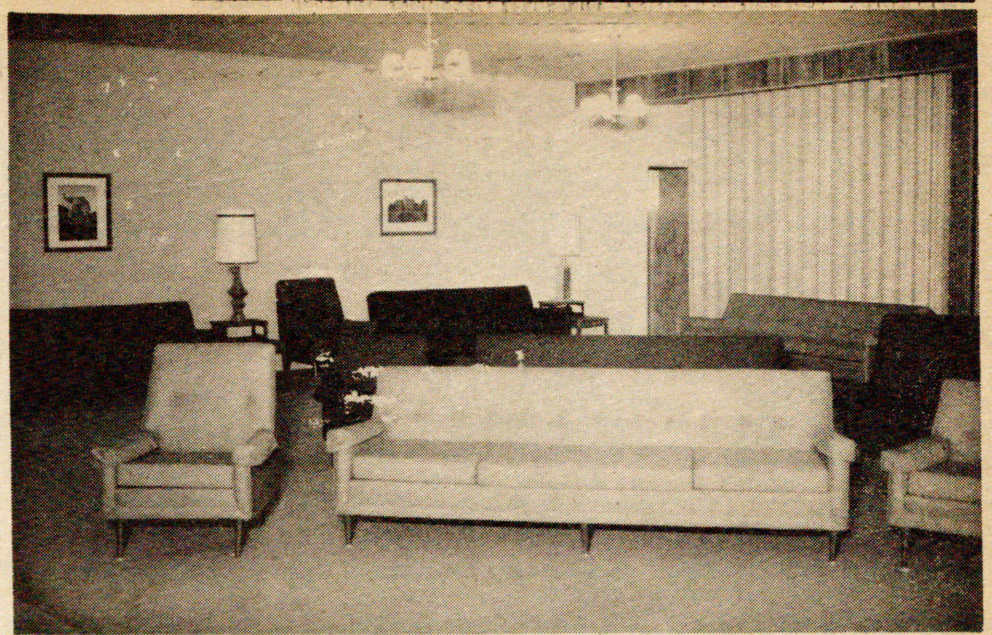

The Summit Hill Cub Scouts of Pack 10 will have their December Pack meeting tomorrow evening, Friday, Dec. 16, beginning at 7:30 p.m. at the school.

Santa Claus will make his annual stop to distribute gifts to all the children, both Cub Scouts and their brothers and sisters. (Moms, please help by bringing a token gift in Christmas wrappings for the children in the family who are not Cub Scouts, the cost of living has gone up for Santa Claus too. Please put the child's name on the parcel).

The Cadettes made one of their frequent trips out to the Salem Old People's Home in Joliet recently to visit their adopted Grandma and Grandpa.

Everyone at the home was so pleased with the girls that they were invited to attend an afternoon tea this week. Unfortunately, the girls could not attend due to school classes. In order that the girls would be represented, and also to contribute cookies for the tea, Mrs. Edna Peterson, committee mother, and Mrs. Ruth Burt and Mrs. Barbara Markowski, co-leaders attended.

The girls are planning to make a return trip to the home shortly after Christmas.

INVITE PUBLIC to open house Saturday and Sunday, Dec. 17 and 18 at the funeral chapel established in Frankfort by Eugene Gerardi Sr. and Eugene Gerardi Jr. The location is on U.S. 30, east of the junction with U.S. 45 on the south side of the highway. The Gerardi's have been in the funeral business for 37 years in the Chicago Heights area. They have ample space for parking automobiles and offer 24-hour ambulance service.

St. Mary's School of Mokena is presenting a Christmas operetta with the cast coming entirely from the first, second and third grades.

It is being presented both tonight, Dec. 15 and 16 for the amusement and amazement of the families and friends. You can sometimes be surprised by the quality of talent brought out of small children by patient adults.

The Arbury Hills Civic Association is pleased to report that their membership drive held on Dec. 4, was successful in bringing in approximately 75 per cent of the residents as members of the organization. It is hoped that the remaining 25 per cent will join shortly.

The Civic Association will have a modern day Santa Claus. He will travel without his reindeers and sleigh, and take to travel by truck throughout Arbury Hills.

Be on the lookout for him, children, he will be around during the hours of one to four on Saturday afternoon, Dec. 17. He will distribute treats to the kiddies.

The Civic Association will erect a tree at the Willow Lane entrance and will also contribute a tree to the school.

The Summit Hill Parent-Teacher Group will have their December meeting at the school tonight, Thursday, December 15, beginning at 8:00 p.m. sharp.

There will be a short business meeting followed by entertainment contributed by the youngsters of the fifth through eighth grades. A musical program has been planned under the directorship of Mrs. Meyers, the music teacher.

On Saturday afternoon, Dec. 17, at 1:00 p.m. until approximately 3:00 p.m. there will be a full length movie presented at the school entitled "Journey to the Center of the Earth."

As for previous movies, the admission fee will be 50 cents for all, and there will be no pre-school children admitted without an older responsible person. No refreshments will be sold, and none are to be brought into the building, to keep down the amount of clean-up necessary.

The children in the first thru fourth grades will present a Christmas program for the parents on Tuesday afternoon, December 20, beginning at approximately 1:45 p.m. until 2:45 p.m. The school will be dismissed at 3:00 p.m. for a faculty meeting.

On Thursday, Dec. 22, each grade will have its room party beginning at 1:15 p.m. until 2:15 p.m. The children will be dismissed at 2:30 p.m. that day to start their Christmas vacation. They will return to school on Tuesday morning, Jan. 3.

Both tardiness and excessive absence has been noted to be found in too large a proportion of the classrooms. Perhaps, Mom, you could shove Junior out the door five minutes sooner so that he could make it to school on time; and also please remember that the amount of financial aid from the state is determined by the actual number of children attending school each day, not the number of children enrolled.

There is also the possibility of jeopardizing their grade promotion at the end of the year, if there has not been the required minimum number of days in attendance, so don't let Junior talk you into an extra day or two at home following his recuperation. This does not mean that he should go to

school with a full blooming case of chicken pox.

The Pep Club, the cheerleaders, have been holding short gatherings during lunch hour to enthuse the school on days of sporting events.

At the school board meeting of December 6, the sixth, seventh, and eighth grade teachers were present along with the Physical Education teacher.

Mr. Simo of sixth grade, Mr. McCarthy of seventh grade and Mr. Reeves of eighth, and Mr. Manola of the Physical Education program discussed in an informal manner the departmentalizing of the upper grades at the school this year and the extent of the Physical education program in the school.

The Arbury Hills Kindergarten Organization donated the net proceeds of their treasury to the public kindergarten in the amount of \$49.00 to be used by the kindergarten teacher to purchase supplementary materials.

The superintendents office is asking that the clothing of the children be checked carefully each morning along with the weather forecast for the day, to be certain that the proper amount of warm clothing is worn, even if the darlings do want to dress like mid-summer all year round.

Invite Public To Christmas Parties

The Frankfort Grade Schools will hold their annual Christmas parties next week.

The youngsters in grades four thru eight will have their entertainment Thursday night, Dec. 22, at 7:30 o'clock in the gymnasium at Frankfort school. The public is invited.

Perry Friedman and Mrs. Ethel Reed will be in charge of the program that will include band selections, group and chorus singing and verse reading.

The Christmas entertainment at Chelsea School, grades one thru three, will be held the afternoon of the previous day, Wednesday, Dec. 21, at 2:30 o'clock. Members of the village

board will attend both programs to make their annual distribution of candy-filled stockings.

Then on Friday afternoon, Dec. 23, the Frankfort PTA will hold their annual Christmas party for all of the youngsters. This will be held in the Frankfort School gymnasium.

L-W WINS TWO
The Knights of Lincoln-Way dusted off two foes in the basketball circuit last week-end.

The conference foe was Carl Sandburg, which was beaten 66 to 31 in a game played at Lincoln-Way. That was on Friday night. On Saturday night the Knights journeyed to Freeport where they trounced the Pretzels 51-43.

LEGAL NOTICE

This publication is the official notice to property owners, of the 1966 Personal Property assessments made in the town and district indicated.

RETURNS AND ESTIMATES

THE LAW PROVIDES THAT, WHERE A PROPERTY OWNER FAILS TO RETURN A SWORN SCHEDULE LISTING HIS PROPERTY THE ASSESSOR OF COOK COUNTY MUST ESTIMATE ITS VALUE ACCORDING TO HIS BEST JUDGMENT AND INFORMATION, AND ADD THERETO A PENALTY OF 50 PER CENT. ASSESSMENTS RAISED ON ESTIMATES AND RETURNS HAVE EQUAL STANDING IN LAW.

The amounts herein listed are the assessed values of personal property as of April 1, 1966, as determined by the Assessor of Cook County.

The amount listed as the assessed value is not the tax. The tax may be determined by multiplying the assessed valuation after it has been equalized by the Department of Revenue of the State of Illinois, by the tax rate in the Town and District in which the property is assessed. The Assessor has nothing to do with the equalization of values or the establishing of tax rates.

BASIS OF COMPLAINT ON ASSESSMENTS

Where a property owner has a specific claim of over or under valuation, complaint may be filed with the Board of Appeals in the County Building immediately after this notice.

INFORMATION ON ASSESSMENTS

Each property owner who has any questions in regard to the same, should in-

quire at the office of the Assessor of Cook County, Room 312, County Building, information will be furnished without cost.

P. J. CULLERTON
Assessor of Cook County

Battle To Control RI Long Legal Marathon

The marathon hearings in the battle for control of the Rock Island Railroad passed another milestone Wednesday with the conclusion of the presentation of the North Western Railway's case.

Presentation of the North Western case in support of

its application to acquire control of the Rock Island ended with termination of cross-examination of Larry S. Provo, North Western's executive vice president.

Since May 4, the Interstate Commerce Commission has been holding public hearings

into the alternate proposals of the Chicago & North Western Railway and Union Pacific Railroad for control of the Chicago, Rock Island & Pacific Railroad.

In his direct testimony, Provo testified that the pre-tax benefits resulting from

North Western's control of the Rock Island would total some \$15,675,629 that would be shared by both roads. These benefits, he testified, would stem from three sources: operating savings resulting from consolidation of duplicate facilities and

train service coordinations; overhead savings from consolidation of general office functions and clerical forces; and traffic benefits.

Under its control offer, North Western is offering to exchange for each Rock Island common share, 0.2778 of a share of North Western common stock, one \$30 principle amount 6% collateral trust 50-year income bond, and \$5 in cash. Union Pacific \$1.80 convertible preferred share, callable at the end of five years at \$55 a share and at a declining price in successive years. The Union Pacific preferred share is convertible into 0.85 of a share of Union Pacific common.

Following the close of the North Western's direct case, the hearings will recess until January 4, at which time the Santa Fe Railway will begin presenting evidence to support its application to purchase certain southern Rock Island lines from North Western if North Western's control application receives Commission approval.

Under an agreement between North Western and Santa Fe, North Western has stated that its preference is to acquire the entire Rock Island, intact, rather than sell off any portion of it to another carrier. But in the event the Commission should conclude that a division of

the Rock Island would best serve the public interest, North Western says it would then be willing to sell certain southern Rock Island lines to the Santa Fe for \$100 million -- not including the Rock Island present main line between Kansas City and Tucumcari, N. M. If the I.C.C. does not approve a division of Rock Island, then Santa Fe has stated it will support acquisition of the entire Rock Island by North Western.

Under a contract between Union Pacific and Southern Pacific railroad, Union Pacific, assuming Commission approval, is obligated to sell the southern half of Rock Island, including the Tucumcari main line, to Southern Pacific for \$120 million. Southern Pacific has declared that unless the ICC specifically orders such a Rock Island division, then it is unalterably opposed to Union Pacific's Rock Island control bid.

THRUOUT the 103 days of hearings to date, the central issue has been the North Western's proposal on one hand to strengthen Rock Island and North Western -- both historically marginal railroads -- by combining them and thus permitting elimination of much of the wasteful duplicate rail plant throughout much of the Midwest. On the other hand, Union Pacific has said it wants the Rock Island to enable it to move eastward from its historic eastern terminus at the Missouri River, across the Midwest to the Chicago and St. Louis gateway where it would connect directly with eastern railroads.

Whatever the ultimate fate of the Rock Island, it appears likely that it will be years before the case is ultimately resolved. The battle for Rock Island is by far the largest and most controversial case of its kind ever. Whatever happens, the Rock Island seems certain to play a key role in shaping the future structure of the railroads in the West.

Area Resident Bags Rabbits, Pheasants

JAMES PEYTON
Telephone: 532-1516

Carl Alpers of 183rd St. and four of his friends went on a weekend hunting trip recently to Southern Illinois. It was not a good weekend weather wise, however he bagged 2 pheasants and 6 rabbits at El Paso, Ill. and then went over to Horseshoe Lake and shot 1 Canadian Goose. Of the five hunters, Carl was the only one that bagged a goose. Dec. 10, Carl is going to Oregon, Ill. for deer. Good luck Carl.

With the thought of Christmas in mind, Peace for all and Good will toward men, lets all bury the hatchet and bring the kids out to the Christmas Party, Dec. 17, at Summit Hill School, Arbury Hills at 4:00 P.M. There will be games, prizes, refreshments and in general just a lot of fun. Lets all come out and make it a real joyous occasion one that we can all remember for a good number of years.

Mr. and Mrs. Leonard Bushen of Ethyl Lane were part of a 49th birthday celebration for her mother Mrs.

Eleanor Deihl of Hanover Park recently. It was a surprise type affair in her own home and many of her friends and relatives attended.

Also a birthday celebration was held in the home of Mr. and Mrs. Leonard Schultz of Ethyl Lane in honor of their niece Vicki. Also attending were quite a few friends and neighbors from this Subdivision.

To the girls of Tinley Gardens: If you like to bowl, or, would like to learn, contact Mrs. Bonnie Schultz and make arrangements to bowl in this new league. Bowling will be on Wednesday (Approximately 12:30 P.M. to 3:00 P.M.) at the Tinley Park Bowling alley and the price is right. You can contact Bonnie at 532-3079.

The Tinley Gardens Homeowners Association is sending this newspaper to our 3 service men so that they may keep up with the neighborhood news also we will supply their addresses next week so that any of you who wish to write to them may do so.

Martin Scores With Yule Decorations

Dan Martin, of Flowers by Dan, U.S. 30, New Lenox Township, is a decorator as well as a florist and his holiday decoration of all the dining rooms of White Fence Farm north of Joliet is acclaimed as outstanding.

Not too many know that Martin has been preparing the White Fence for the holidays for many years now and each year he has done an outstanding job.

While wreaths and evergreen streamers are used for background, each room has its own theme and colors.

In order to do the job Martin labored at the restaurant nights after it had closed and kept at the task until morning when he returned to his shop on U.S. 30 to operate his business there. It

Yuletide Customs At Foundation

One of the Christmas traditions at the Community Center Foundation, Southwest Highway at 127th Street Palos Park, is the hanging of the greens. This will take place on Sunday, Dec. 18, at 7:00 p.m.

Friends are invited to assist in decorating the lodge and the Christmas trees which include an eighteen-foot white pine in the Great Hall. There will be a half-hour of carol singing when the decorating is completed at which time refreshments will be served.

The Traditional Yule Log Service will be held on Friday, Dec. 23, at 8:00 p.m. The Rev. Frank W. Sanders, executive director, will conduct the service which includes the reading of the poem "The Sacrament of Fire" as the Yule log is lit. Guests will participate in the singing of carols under the leadership of Paul M. Sanders, of Crestline, Calif. who will be home for the holidays. Partaking of the Wassail Bowl will end the program.

Homer Woman Killed In 3-Car Collision

A head-on collision, followed by the impact of a third car from the rear resulted in the death of a woman and the critical injury of one of the drivers Sunday night about 7:45 o'clock on Ill. 7 just east of where Bell Rd. feeds into that highway from the south.

Dead is Mrs. Studnicki, 50, who resided north of Marley but had a Mokena mailing address. Reported as critically injured, a patient at Silver Cross hospital, Joliet, is Robert G. Rich, 25, 16108 Jacquie Court, Lockport Township, near Hampton Park.

Driver of the third car, James T. Collings, 57, Rt. 1, Naperville, and his wife, Lydia, 52, were treated at the hospital for minor hurts and were released. Also released after treatment was Steve Studnicki, 50, husband of Elsie. He is said to have suffered rib fractures.

According to the state police report Studnicki was traveling north on Bell Rd., which joins Ill. 7 a quarter mile east of where Bell Rd. continues to the north. Studnicki, who operates a kennel and Hunt Club, made a right

turn onto Ill. 7, also known as 159th St., it was said and is believed to have traversed about 150 feet when the collision with Rich's car occurred. The left front end of the Studnicki car was involved and a second or so later the left rear of the vehicle was struck by the Collings car.

Mrs. Studnicki suffered a broken neck but was not pronounced dead until arrival at the hospital.

She was born in Chicago but had been a resident of the Mokena, Frankfort, Marley area for the past 20 years.

Besides her husband she is survived by their son, Ronald, of Galesburg, and their daughter, Elaine, Mrs. Lawrence Troutman, of Lockport; her mother, Mrs. Alvina Jasalsky, and a brother, Joseph Jasalsky, of Chicago.

Removal was to the Baskerville funeral chapel, U.S. 30 and McRoberts Rd., New Lenox, from where services were held Wednesday, Dec. 14, at 9:30 o'clock to St. Jude Church, New Lenox, at 10:00. Interment was in Mt. Olivet Cemetery, Joliet.

Civic Groups Again Seek Food Baskets

MRS. SHERMAN KNOX
Telephone: 349-0211

Again this year, civic groups are joining together to provide Christmas food baskets for deserving families in Orland Township. There will be collection centers at Mr. Ed's IGA, Orland State Bank, Kosner Drugs and the Library. You may place non-perishable food items in boxes in the IGA store. There will also be money collection depots in the IGA Store, the Orland State Bank and Kosner Drugs. Children's books may be donated at the library. Also if you would like to make a donation by check through the mail, write it to "Orland Christmas Baskets", Box 67, Orland Park. Collection centers opened Dec. 9, and will be open through the 23rd. If anyone knows of a deserving family, please send their names and addresses to the above P.O. Box 67.

The Adult Bible Class of the Methodist Church met at the home of Mrs. Ray Doctor, Wednesday, Dec. 14, for their annual Christmas meeting and gift exchange. Mrs. Thomas Cooper was in charge of the program. The class will again pack "Cheer" boxes for shut-ins in the community.

The annual Sunday School Christmas Program of the First Baptist Church of Orland Park, will be presented Sunday morning, Dec. 18, during the Sunday School and

Morning Worship time.

In the evening at 7:00 p.m., the members are invited to the Christmas Play, Christmas Is A Miracle, at the First Baptist Church, Tinley Park. The Prayer meeting was held Wednesday evening, Dec. 14 at the home of Mr. and Mrs. Wm. Shell, 10224 Hyacinth Drive.

Laurel Camp #1796, Royal Neighbors will meet Tuesday evening, Dec. 20, at 8 p.m., in the fire hall. A pot-luck lunch will be served. This will be their annual Christmas Party, each member to bring a dollar gift for the grab-bag, also a wrapped prize for the bunco game.

The American Legion Auxiliary, Unit #526 will meet at the home of Mrs. Knox, Tuesday evening, Dec. 20, at 8 p.m.

Christmas party will follow a short business session, each member to bring a dollar gift for exchange.

The Unit will sponsor 5 bedside patients at Hines Hospital. Lilah Kruspe, Rehab chairman will be in charge of purchasing the gifts, and wrapping same. The Unit allotted \$50.00 for this project.

The Annual Christmas Party of the Orland Park Woman's Club will be held Wednesday, Dec. 21, at the Community Center Foundation, Palos Park. A covered dish luncheon will be served at 12:30 p.m.

A choral group from Carl Sandburg High School will present the program. Christmas carols will be sung by all attending.

Introduce New Teaching Methods

Four teachers of School District #135 recently traveled to visit the Champaign-Urbana School systems. Both visited districts are State of Illinois Demonstration Centers sponsored by State Superintendent of Schools Ray Page. The demonstration centers are schools in which visiting teachers witness the newest experimental and proven varieties of teaching methods. The cost of the visit is charged to the state office. The value of the visit is unending, it was said. The four teachers making the visit were Rita Larson, Linda Hines, Harriet Bromley and James Creighton. Each teacher has a class where much individual attention is given to each child. Most youngsters work at their own pace thus causing a teacher to be more of an advisor or consultant as their youngsters learn using much independent thought to solve the school problems of learning that they meet. Youngsters in the classes are progressing faster than they would in a normal classroom situation, it is said. The visit to Champaign and Urbana was aimed mainly at improving the stu-

dent-teacher rapport, thus creating the atmosphere for greater achievement. The four visiting teachers were quite pleased with their visit. To enumerate all the detailed ideas gathered would not be possible in a limited

space. However, a conversation with any child from these classes, if the right questions are asked might be quite informative as to the difference in teaching and learning that are present in

these classes, it was said. Arden school officials hope that thru these classes, teaching improvement will spread thru the district thus enabling all youngsters to learn as much as they are capable of learning.

Success Attends Reading Courses At Orland Center

Last school year three third grade teachers experimented with re-organizing their classes for reading instruction. The various classes were separated so that similar groups or ability readers were placed in the same reading class. All youngsters were third graders and continuously competed with themselves for reading improvement. These varying groups worked on areas of weaknesses that would raise them from where they were to where they should be academically speaking, it was explained by James Cunningham, principal of Orland Center school.

The various groups change classrooms during reading class, thus leaving their homeroom teacher for instruction to be with a group of peers with like ability. Their reading teacher could be one other than their homeroom teacher but still from the same grade level as the pupil normally would have. The homeroom teacher keeps in touch with each student by joint planning of reading by the reading teachers. Thus, the homeroom teachers have a say in the reading plans of all their pupils. The group of planning teachers are able to share experiences and ideas which helps the teachers become better teachers and allows for more and better student instruction.

For this type of operation, at least three classes of one grade must be housed in one building. Last year the third grade successfully used this form of organization. The benefit of the organization is the arranging of pupils of similar ability so that teachers can better organize a beneficial, to all, program of learning.

At present the first and fifth grades at Orland Center are not using this organization for reading classes. The first grade child is thought to be too inexperienced to cope with the changing each day of teachers. The fifth grade has two class units at Orland Center, thus not having sufficient number for the best organization.

Suggest State Let Present U.S. 45 Pass Under Tracks

Suggestions were made to state highway engineers last weekend by Frankfort town officials to preserve a portion of the present U.S. 45, including its passage under the Rock Island tracks, to give adjacent property owners easier access to their real estate. The township is asking the state to also provide proper drainage to prevent flooding.

The state's plans, it was said, call for the closing of this section of U.S. 45 and filling in the passageway under the railroad tracks.

Supervisor George Tate, and Highway Commissioner Walter Yunker, accompanied by A. H. Krusemark, attorney for the town board who had had extensive experience in drainage and drainage problems, conferred with state engineers in the district office at Elgin. They also were accompanied by Howard Marti, farm owner east of U.S. 45 and some others representing interested property owners.

The purchaser of the Geuther farm, the owner of a 40 - acre parcel, and another property owner on the east side of U.S. 45, and the former Klost farm on the west side of the highway had representatives on hand also, it was said. The Klost property has changed hands several times, it was said.

The state had planned to build up 187th St. east of U. S. 45 but property owners who would be involved op-

pose this on the grounds that their only way out to 191st or 183rd then would be the proposed overpass over I-80 on 80th Av. It would be much closer for them to use the present U.S. 45, and travel it in and out to 191st St., they told state engineers. It was possible, it was said, that a piece of the former Geuther farm at the northeast corner of 191st and U.S. 45, would be needed perhaps in linking up with 191st St.

U.S. 45 is to be carried west of the present route from a point north of the WLS transmitter station to a point north of 191st St. where the two 45's were to join again. The new U.S. 45 will be carried some 600 feet west of the present route at the widest point, it was stated.

U.S. 45 is to pass over I-80 and there is to be an interchange there. Tate said engineers told them that plans for the cloverleaf are still incomplete and not likely to be ready for bidding until late spring. Engineers believe it will be a year from next fall before the interchange at U.S. 45 is finished. I-80 itself is to be ready for traffic by next November, it was said, as a result of orders from the defense department at Washington.

Early completion is seen of plans for the overpass to span I-80 on 80th Av. Work is underway on the interchange for I-80 at Harlem

WORTH TALKING ABOUT

"American democracy could not survive for long the development of an alliance between government and any interest group that escapes the discipline of the polling place. Business as well as government, however, share an obligation to participate in a constructive, seeking to establish viable standards and objectives suitable to the country's economic, social, political and technological aspirations. This, after all, is how the public interest is articulated."

George S. Moore,
President
First National City Bank

The Old Timer

"Some people's idea of progress is to improve everything but themselves."

For as he thinketh within himself, so is he.

—(Prov. 23:7)
In life we always find what we look for and if we look for something beautiful in any circumstances we shall find it. In a sense, our happiness is in our own hands, because it is not what happens to us but how we react that is important in our experience. We suffer only when we resist something in our life. This is the cause of pain, and so the secret is to embrace the Spirit of God in everything.

 One year has passed since that sad
 day.
 The one we loved was called away.
 He wished no one a last farewell
 or even said goodbye.
 He was gone before we knew it,
 and God only knows why.
 His busy hands are resting.
 His work on earth is done.
 His worries are all over and
 heavenly crown is won.
